Snapshot 2: Solutions and Reaction

Handakina Tsegaye

Field	Response
Current solution	Apple Maps, asking people nearby, or going with friends who know the area
Money spent?	Occasionally takes an Uber after getting lost
Solution reaction	Excited about walking point-of-view navigation, lukewarm on the heat map itself
Biggest concern	A busy, crowded map would overwhelm her

Kishanti Barmoh

Field	Response
Current solution	Group chats, Instagram stories, Eventbrite, and Partiful
Money spent?	Yes, on event and market tickets
Solution reaction	Loved the shared group map and turning a saved post into an RSVP
Biggest concern	Her friends would all need to download it for it to work

Keller Patterson

Field	Response
Current solution	Teammates decide, or he searches "things to do near me"
Money spent?	Only on rideshares
Solution reaction	Liked the itinerary based on how much free time he has
Biggest concern	It needs to work instantly. He will not learn a complicated app.
